

Mentee Commitments

To ensure a successful mentorship I commit to building a mutual partnership with my mentor, to sharing dreams and challenges, and to respecting the differences between us. I understand the quality of any mentoring experience is largely determined by the commitment, time and quality of communications between myself and my mentor. I will respond in a timely manner to all emails and communications from my mentor.

I acknowledge that this program is not meant to serve as a recruiting service. I understand that participation in the Mentorship Program does not guarantee placement within a desired field or within my mentor's place of employment. I acknowledge that completion of this program will not guarantee myself an internship, part-time, or full-time position.

I will abide by the University of Texas at Arlington ("UTA"), [Student Code of Conduct](#) and [Honor Code](#), while participating in the mentorship program. I understand that my involvement in the Mentorship Program is at the discretion of UTA's Career Development Center and the Center reserves the right to withdraw me from the program if I do not meet program requirements.

I agree to hold harmless UTA and the UT System from my participation in the Mentorship Program. In addition, I hereby grant UTA specific permission to reproduce, publish, circulate, copyright or otherwise use any photographs and or videos taken of me during any Mentorship Program events solely for use by UTA for educational purposes.
